## FMCSA DRUG & ALCOHOL CLEARINGHOUSE Applicant Form

Applicant Name: \_\_\_\_\_

Division: \_\_\_\_\_

### ACTION REQUIRED TO BE CONSIDERED FOR EMPLOYMENT WITH STORER

As an applicant with Storer, we are required to run a full query on all prospective employees that hold a Commercial Driver's License or Permit **prior** to a job offer being made. This full query is mandated by the Federal Motor Carrier Safety Administration (FMCSA). This online database helps keep roads safer for all drivers by identifying drivers prohibited from performing safety-sensitive functions, such as operating a commercial motor vehicle, due to a drug or alcohol program violation.

If you are not registered, please visit <https://clearinghouse.fmcsa.dot.gov/register>. Applicants that do not hold a Commercial Driver's License or Permit are not required to register for the Clearinghouse at this time- see the FAQ's for more information.

Select from following and submit with your application:

- I hold a Commercial License and am registered with the Clearinghouse
- I hold a Commercial License and will complete my registration within the Clearinghouse prior to my interview
- I do not hold a Commercial License

Be aware, we will be unable to proceed with a job offer if you have not completed the registration process **AND** provided your electronic consent that allows Storer to view your drug and alcohol history **through** the Clearinghouse.

## FAQ's related to this mandatory requirement

### What drivers and employers will be affected?

There are a lot of people who will be affected by Clearinghouse, including interstate/ intrastate motor carriers, school bus drivers, operators of construction equipment, limo drivers, municipal vehicle drivers, federal organizations, and other organizations that employ drivers subject to FMCSA drug and alcohol testing regulations, including Storer.

### Do CDL drivers have to register for Clearinghouse?

YES, they need to be registered so they can give electronic consent in the Clearinghouse when current or prospective employers need to do a full query. (That includes mandatory pre-employment queries) Drivers also need to be registered so that they can check their own information.

### Can drivers who have not received their CDL permit register for Clearinghouse?

NO, you cannot register until you receive your Commercial Permit.

1. You must register within 48 hours of obtaining your Commercial Permit **and** notify your hiring manager you have completed the registration process.
2. Storer will conduct your full query within five (5) business days.
3. You will need to respond and provide an electronic consent **through** the Clearinghouse to complete this query within 24 hours of receiving the request.

### How does Clearinghouse impact drivers with a CDL?

Employers are mandated to conduct a database query as part of the pre-employment background check.

Employers will have to use the database in several ways:

- To do full queries as part of the pre-employment driver investigation process
- To run limited queries once a year for each employee
- To get electronic consent from drivers for full queries (including pre-employment queries)
- To report violations of drug and alcohol use
- To record return-to-duty results that are negative as well as the date of a successful follow-up testing plan for any drivers

### What are full queries and limited queries?

There are different kinds of queries: limited queries and full queries.

1. A **limited query** allows Storer to see if a driver's record has any information regarding drug and alcohol program violations, whether resolved or unresolved. There won't be detailed information from the driver's Clearinghouse records. Limited queries only require general consent, which is processed during the intake process with Storer. This general consent will be valid for 5 years from your hire date.
2. A **full query** allows Storer to see the details about drug or alcohol violations that are in a driver's record. We need an electronic consent **through** the Clearinghouse before receiving this detailed information about those violations.

### Pre-employment driver investigations with previous employers?

Prospective employers will have to do both electronic queries in the Clearinghouse...and manual inquiries with the previous employers for the next 3 years. That's because they need to meet the three-year timeframe for pre-employment driver investigations. After January 6, 2023, three years will have passed since the database went into effect, so prospective employers will not have to continue manual inquiries.

### Can drivers correct information in the Clearinghouse?

Yes. There is a way for drivers to ask that their information be changed. However, they can only challenge the accuracy of the information reported – not the accuracy or validity of test results.

Please visit <https://clearinghouse.fmcsa.dot.gov> for more information and to register

**Affidavit**

Storer may require a criminal history/ background check be conducted for all full-time, part-time and per diem employees upon hire, once an offer of employment has been extended. Storer may also use a third party to conduct the background check. The type of information that may be collected is as follows: criminal fingerprint background check, employment history, education, vehicle record, child abuse/ neglect records and/or professional/ personal references.

My signature below authorizes Storer Transportation, Storer Transit Systems, Storer Coachways and/or Storer Contract and Schoolbus Services to conduct a background investigation. I further authorize the release of all information in connection with my application for employment. I hold harmless any individual or firm who may provide information in connection with this investigation, I waive the right of access to any such information and, without limitation, hereby release Storer and all reference sources from all liability and/or damages.

Although a disqualification is possible, in accordance with federal and state laws, a previous conviction does not automatically disqualify an applicant from consideration for employment. Depending on a variety of factors, the candidate may still be eligible. If your criminal background check is the reason for the denial of employment, you will be given the opportunity to review and refute the information used.

I further certify that I made true, correct and complete answers and statements on this application and acknowledge that they may be relied upon in considering my application for employment. I understand that any omission or false statement made on this application, or any supplement to it, may be sufficient grounds for failure to employ or grounds for my discharge.
